### Being a good student

As students, it is very important for us to know what to do and what not to do. In schools, we should go to

school on time. Don't be late for class. In class, we should listen to the teacher carefully. Homework must be done. Don't copy others' homework. We should take an active part in sports and keep healthy. We should always be ready to help the people who are in trouble. When waiting for a bus, we must stand in line and wait our turns. Don't push or jump the queue. In a bus, we should not speak loudly or spit in public. Don't litter things about. It's our duty to protect the environment around us.

If every one does so, I am sure he will be a good student.

### 八、参考短文

Dear Kate,

How are you? I am in Australia now. I came to Sydney on vacation last week. The weather wasn't very good. It was cloudy and windy sometimes. But I still had a great time here. I went to a beautiful beach and had great fun playing beach volleyball. I also went to a museum. It was crowded. But the art show was really interesting. The food was delicious, too. I hope you can come to Sydney on vacation one day.
